## Food Truck Catering Price Sheet

### 2026

#### CONSULTATION SERVICES

2-3 Hours Allocated  
1 planner

This includes:

- Available for questions and looking into what food truck would best suit you and your event
- Find a food truck & coordinate with them about creating a menu prior to the event

**\$100**

#### BASIC EVENT SUPPORT

5-7 Hours Allocated  
1-2 Planners

This includes:

- Finding & securing food truck(s) for a single event
- Provisions of a map of location for your facility
- Scheduling a truck
- Creating an ad flyer for your event
- Creating MOU for your event

**\$250**

#### MULTI-EVENT COORDINATION

8-10 Hours Allocated  
2+ Planners (on-site as well)

This includes all of the bulleted lists from all of the previous section plus:

- Onsite supervision\*
- Operation of a multiple truck event
- Staff member monitoring the event (typically 3 hour event)\*
  - Dependent on team availability

**\$500**

#### PREMIUM EVENT MANAGEMENT

15+ Hours Allocated  
2+ Planners (on-site as well)

- Includes:
  - All inclusions from the "Basic Event Support" and "Multi-Event Coordination" packages.
  - Onsite supervision and pre-planning consultation on the event experience
  - Operation of a multiple truck event with event day experiences (entertainment, games, decorations)
  - Staff members monitoring the event

**\$910**

#### The Finer Details:

- These are separate fees unlike other coordinating organizations, there's no percentage added to the catering fee for organizing reimbursement.
- All businesses will still need to follow the city requirements that it has to be a private event for their employees unless otherwise discussed (and all licensing requirements).
- Trucks aim for 40-60 sales per hour (If you are catering the cost is typically \$10 to \$40 a person).
